The sports calendar is also posted on the website.

CEA Meeting- Our first meeting of the new school year will take place **this Sunday, September 12th**, at 11:30 A.M. with a family brunch. Families are asked to bring a dish to pass. Our informational meeting will take place after the meal. Every parent needs to attend this meeting because we will be discussing the parent groups and their assignments for the school year. Join us for an opportunity to see our fellow families as well as meet families new to our school. With everyone gathered as a group, it is also an opportunity for planning. See you on the Sunday!

Parent/Grandparent Day- This Friday, September 10, is Parent/Grandparent Day. Parents and grandparents can join us from 8:00 until lunch ends at around 12:30. If you are planning to attend the lunch meal, please give the office a call or send in a note so that we can get an accurate count for lunch. A lunch will cost \$3.50.

Class Rosters & School Directory- The classroom rosters & all school directory is coming home with your student(s). Please keep this handy for future references for names address and phone numbers along with extension numbers for the TLS staff.

Tuition Payments- If you have not paid your tuition, please do so now. Payment is due in full or you may sign up to have monthly payments deducted from your checking account. You can get a form from the office. Please contact a school board member if you need further assistance.

Hot Lunch- The new monthly payment will be \$45.00. When paying for hot lunch, please pay for one month at a time, this makes it easier to keep track of the payments made. Please make checks payable to Trinity Hot Lunch. Payments for September were due last week. A single lunch will cost \$3.50.

Sporting Day Transportation- Parents you are responsible for getting your athletes to and from games. Please make arrangements early to avoid any problems.

Sports Necessities- Children participating in soccer need to have shin guards if they are going to practice and play. Also, there is a difference between soccer and baseball cleats. Before the start of each soccer game the ref will check each player's cleats. Baseball cleats have a cleat on the toe while soccer cleats do

Jesus Answered, "I am the way the truth and the life." John 14:6

not. Many soccer players have to cut off the toe cleat so they are able to use them for both soccer and baseball. The girls that participate in volleyball need to have knee pads.

Latch Key- Latch Key is in the downstairs multi-purpose room. Please enter through the outside door of the link between the church and school. If there are any questions, you are welcome to call or talk to Joy Enter at 225-3592.

Singing Schedule Correction-The February 20th date for Jr. Choir at 7:00 p.m. should be February 13th at 9:00 a.m. Please change this on your singing schedule and your calendars.

Application for Educational Benefits- Because our hot lunch program is no longer through the state, we are not eligible for Free and Reduced-Price program. If this poses a problem for anyone, please speak to Mr. Pappenfuss or the Board of Education Chairman, Jon Bleick. The form for educational benefits applies to much more than Free and Reduced meals. Filling out the applications also helps to determine the amount of educational assistance our school receives for such things as our Title I program, which provides one on one help for those students in need of such help. We encourage each family to fill out the forms because of the help they provide for the school. If you need a form, please contact the school office.
