KOINE' is here this Sunday for worship! What a wonderful way for our young children to experience worship. The band will be providing all music and use familiar hymns set in modern arrangements. We hope you will be able to come Sunday to experience this uplifting service. They will also be performing a mini concert following coffee fellowship!

AUTHOR VISIT: Our school is hosting an author visit right here at Trinity. The date is Friday, February 11th. We will be having 8 different schools attending, besides Trinity students. They are St. Peter Lutheran, St. Peter, St. John's, Sleepy Eye, Nicollet Public School, Prairie Lutheran School, St. John's, Redwood Falls, St. Paul's from St. James, and Risen Savior and Mt. Olive from Mankato.

We actually have an author/illustrator couple. They are illustrator David Geister and author Patricia Bauer, from right here in Minnesota. Besides being an illustrator, David Geister is a historical painter. Patricia Bauer is not only the author of their latest book *B is for Battle Cry*, but also a teacher in the Twin Cities area. They are both re-enactors at Historic Fort Snelling. They will be presenting at 9:00, 10:15, 12:15 and 1:30. Congregation members are welcome to drop in at a presentation.

Meet our MLC students: Jacob Scriver is a senior at Martin Luther College majoring in elementary education and secondary physical education. He graduated from Shoreland Lutheran High School in Somers, WI in 2007 and is currently a member of St. John's in Libertyville, IL. He played football for MLC for the past three years as a linebacker and a defensive end. He enjoys spending time with family and friends, hunting and fishing, and participating in sports. He is excited to further his education here at Trinity and looking forward to the experience.

Nathan Gartner is from Watertown, WI. and is a junior at Martin Luther College. His father is a Pastor at St. Luke's in Watertown and his mother is a certified medical assistant. He is interested in becoming a teacher because he enjoys being around children and being able to share the love of God with them. In his spare time he enjoys watching and playing sports, but school takes up a good chunk of his time. He is excited to be able to spend this semester here at Trinity.

Geography Bee winners were Marshall, Katelyn and Alex. Congratulations.

Basketball Game Map A map should have come home last week for tomorrow's game vs. St. James. If you need information, please call Mr. Pappenfuss.
