Busy May. As you can see from the list of events above, we are coming into a very busy time of the year. Please make a note of the dates and plan to enjoy the activities!

Terra Nova Testing We are half-way through the testing. We hope to finish on Friday. Please be sure your child gets plenty of rest and a nutritious breakfast.

Informational Meeting On Wednesday, April 27 at 7:00 there will be a meeting for parents of students in grades 3-8 to find out and ask questions about next year. Mrs. Ladd and Mrs. Pappenfuss are going to share aide time in 3-8. All members of Trinity are welcome to attend. The meeting will be in Mr. Pappenfuss's room or the Fireside room.

Twins Game. Thanks for all of the interest in the Twins game. There are enough students for us to be able to take a school bus. Look in your church mail slot for more information. There are still some tickets left, so if you did not sign-up yet, there is still time to get on the list.

Softball. Players will need to have rides to the games on May 2. The dates and times are listed above. Let Mr. Pappenfuss know if you cannot find a ride for your child. We want to leave school at 3:00 so we can start by 3:30.

Track. At each track meet, we need volunteers to help run an event. Please look over your calendars and let me know if you are interested in helping out at either Sleepy Eye, (May 6) or Redwood Falls (May 13). So far we have one volunteer to drive to Sleepy Eye, I think we will need at least one more. Students are registered for events. They could be practicing them at home.

Entertainment Night. May 25 is Entertainment Night. Please mark the day on your calendar. Grades 6-8 will be working on painting sets for their play *Twelve Angry Men* on Tuesday, May 3. We may need a few students to stay after to help finish. Let Mr. Pappenfuss know if you are able to help.

Summer Tutoring. Summer is often a time when students lose ground on their academic skills. In order to help your son or daughter maintain their skills, summer tutoring will be offered by Mrs. Ladd at TLS. Forms may be obtained from Mrs. Ladd or your child's teacher.

Field Trip. K-8 will be going on a field trip on May 24. We will learn about the flour industry and tour the Metrodome.
