Graduation Service / Closing Service – Friday, May 27, we will close our school year with a graduation/closing service beginning at 11:00 A.M. We will be bidding farewell to our graduates, and we ask for God's continued blessings upon our graduates in their high school years. Parents are encouraged to join us for this special service in which we thank our gracious God for the many blessings shown to our school this past school year. **Parents are reminded that due to the early dismissal at the conclusion of the service, there will be no hot lunch served on that day and no bus service.**

Year-End Thoughts—Once again, another school year has flown by and will be coming to a close. It has been a true joy for the members of our faculty to have had the opportunity to serve our Lord as your child's teachers. We thank and praise our gracious God for the many blessings He has shown to our students, families and school. He provided the new building for us this year which will continue to be used to his glory. May God continue to watch over you during the summer months until we begin another school year under His guidance.
